

Application: The Real Deal

Significant Learning Dimensions ~ Key terms

Foundational Knowledge	Identify, Recall, Understand
Application	Create, Use, Judge, Make Decisions about, Critique, Analyze, Manage, Solve
Integration	Connect, Relate, Compare, Integrate
Human Dimension	Interact, Understand, Decide to become
Caring	Get excited about, Value, Develop interest in
Learning to learn	Identify and retrieve sources, Set learning goals and agenda, Read and study effectively

1. Identify a dimension of Significant Learning that is currently missing from your class (Integration, Human Dimension, Caring, etc.).
2. Identify an important learning objective/topic for your course (content area).
3. Design a LEARNING ACTIVITY that incorporates both the Significant Learning dimension and the topic, using ACTION verbs for student learning (see chart above.)
4. Prescribe the complementary assessment technique.

Discuss and Enjoy!
