

Transforming our thinking about the IRB (Institutional Review Board),@

Step by step process

- I. Design study
 - Fully integrate study into course
 - Course=assessment=research
- II. Schedule a meeting with IRB chair.
- III. Find third party.
- IV. Complete IRB application
 1. Description **B** What am I doing and why am I doing it?
 2. How will the subjects be recruited?
 - Script
 - Informed consent statement or Study information sheet and data collection.
 3. Where will study be conducted and confidentiality
- V. Protection of Human Subjects Test located at:
